

Excerpts from Reports of Foreign Representatives of
Hungarian National Council

Germany--General Gustav Hennyey (October 16, 1955)

On October 2 and 3 I met with Mr. Christoph Kalay, son of the former Hungarian Prime Minister, at the time ill in Italy. We discussed general problems of the Federal Republic and of the Hungarian emigration. Mr. Kalay had to inform his father on those conversations.

October 4: Our representative in Bruxelles Count Georges Apponyi paid me a visit. We spoke about Hungarian emigrees and German problems.

October 5: I met Congressman Mr. Bentley, we discussed problems of the emigration as well as some political ones in which Mr. Bentley is very interested having served with the US Legation in Budapest.

October 10: Dusseldorf--I had a long conversation with Professor Mende on the German official visit to Moscow, on the actual situation of Hungary and the project of a Danubian federation and the various rumors in relation with these questions. I informed him about my removal to Bonn. I would underline Prof. Mende's point of view that Germany must do his best in order to maintain close relations to the USA and, more, to develop them. (Prof. Mende has very close relations to the German Federal Foreign Office).

October 11, 12: Bonn--I met General-Colonel Senyi and discussed with him several problems of our emigration. I contacted also Mr. Luder the new chief of the department of foreign refugees with the Bundesministerium fur Vertriebene. Furthermore I met Mr. Josef Trischler and Francis Rothen--both representatives of the expelled Germans from Hungary, we examined the development of the relations between Hungarian and the "Schwaben".

October 13: Frankfurt--I called on Mr. Abbey, Director Free Europe Citizens Service; we discussed routine matters as well as my removal to Bonn.

October 13: Stuttgart--I met with Dr. Louis Leber, local leader of the "Ungarnschwaben" (people of German origin expelled by the Russe-Hungarian terror); our conversation concerned Hungare-Swabian relations and the situation of the Hungarian high school in Bauschlott.
